

# IBM CLOUD ACCOUNT

Team ID	PNT2022TMID27307
Project Name	Project – Personal Expense Tracker Application

The screenshot shows the IBM Cloud Dashboard for a user named Swetha V. The interface is dark-themed. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. Below the navigation bar, the main section is titled "Dashboard" and includes links to "Edit dashboard", "Upgrade account", and a prominent blue "Create resource" button. The central area, labeled "For you", features a grid of five cards: "Build" (highlighted in blue), "Explore IBM Cloud Shell", "Get Started with the CLI", "View APIs and SDKs", and "Build a Virtual Private Cloud (VPC)". Each card provides a brief description and a "Getting started" button with a time estimate. A bottom navigation bar contains tabs for "User access", "Manage users", "News" (selected), "View all", and "Planned maintenance".

The screenshot shows the IBM Cloud Dashboard for a user named Subash G. The layout is similar to the first dashboard. The "For you" section displays five cards: "Build" (highlighted in blue), "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "App Connect", and "IBM Watson Knowledge Catalog". Each card includes a description, a "Getting started" button, and a time estimate. The bottom navigation bar is partially visible, showing tabs for "User access", "Manage users", "News", "View all", and "Planned maintenance".
